Agreement to Confidential Use of Information

FORM 3: Version 20141006b

RPG Research respects your privacy. This Privacy Policy explains how the RPG Research collects, uses and safeguards your personal information.

Changes to the Privacy Policy

As RPG Research, its membership, products and services change from time to time, this Privacy Policy is expected to change as well. We reserve the right to amend the Privacy Policy at any time, for any reason. The date of the last revision to the Privacy Policy will be indicated by the "Last updated" date at the bottom of this page. We will post copies of these updated policies on the www.rpgresearch.com website.

Information We Collect

1. **Personally Identifiable Information:** We may collect information that identifies you (“Personally Identifiable Information”) when you interact and provide such information through paper forms or electronically through our Sites such as, but not limited to, when applying for recreational non-research events, research projects, questionnaires, polls, registering on the website or other RPG Research related events, products, services, or research projects. The types of Personally Identifiable Information collected will vary based on the service, but may include, among other things, your name, address, phone number, birth date, delivery information, e-mail address, income, marital status, education background, and recreation preferences.
2. **Non-Personal Data:** As you interact with us, we may also collect information that is not Personally Identifiable Information but may disclose other aspects of your interests and preferences.

How We Use and Share Personally Identifiable Information

Once collected, we may use your Personally Identifiable Information in a variety of ways including (but not limited to):

- Provide service communications such game session reminders, event announcements (opt-in), program registrations, and customer service messages.
- Answer your emails, phone calls, or online requests.
- Deliver and process surveys.
- Personalize and improve the usability of the gaming sessions.
- Fulfill and/or deliver RPG Research products and services.
- WE WILL NOT SHARE your information with other companies.
- WE WILL NOT SHARE YOUR INFORMATION with third parties outside of the scope of RPG Research.

Sharing your Personally Identifiable Information to Fulfill Service Requests. When fulfilling service requests initiated by you, we may share your Personally Identifiable Information with certain volunteers, staff, or any third parties (for example the property owners where recreation or research events may be taking place) only as minimally needed to fulfill your needs to engage in the desired recreation or research activity.

Sharing Your Personally Identifiable Information When Legally Necessary or to Protect RPG Research's interests. RPG Research may disclose your Personally Identifiable Information if required to do so by law or in the good-faith belief that such action is necessary to: (a) conform to legal requirements or comply with legal process served on RPG Research; (b) protect and defend the rights or property of RPG Research; or (c) protect the personal safety of RPG Research personnel, volunteers, participants, or members of the public in appropriate circumstances.

Sharing Your Email Address Pursuant to RPG Research Policy. Your email address will only be used by RPG Research and its entities. We do not share, sell, or rent email addresses to anyone outside of RPG Research.

How to Manage The Sharing Of Your Personally Identifiable Information

You can manage your profile and email preferences, including opting out of Email either online through the www.rpgresearch.com website or by contacting us directly in person, by postal mail, or by phone. Email lists are opt-in only, your email address will only be added to email lists if you specifically request to have it added.

How We May Use and Publish Non-Personal Data

Through the use of various technological tools, we may collect Non-Personal Data to improve the usability of our Research and/or Services and for other business reasons. We may publicly publish the Non-Personal Data we collect, usually in the aggregate related to various analysis and/or research.

Information security

RPG Research implements commercially reasonable security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. We restrict access to personal information to certain individuals who may need to know that information in order to operate, develop or improve our services and/or research. These individuals or partner organizations are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.
